## BRICKS R US

Engraved Bricks and Tiles

**FUNDRAISING TOOLS** – We provide the most comprehensive set of tools to assist you in helping your fundraiser to be successful. We do not charge for any of our services and you will find clear answers to everything on our website such as our prices, products and frequently asked questions.

**LOWEST PRICE GUARANTEE** – We are committed to providing the lowest prices! Since we are confident about our prices, we list all of our costs on our website. Our pricing structure is one price which eliminates any guess work. Since we mostly deal with non-profit organizations, we know that every penny counts. Although we feel we have the lowest pricing, if you find a price lower from a similar engraving company, we'll match the price. It's that easy.

**PERSONAL (DONOR) SITE** – We will design a secure free Donor Site for your organization so you can have an online presence. You can either link our site to your organization's website or we will provide one-line coding that enables you to host the site on your own.

**FREE SHIPPING** – All of our prices include the brick, engraving and shipping. Many, if not most of our competitors, charge for shipping. Don't forget to read the fine print!

**NO PER LINE CHARGES** – All text engraving is included in our pricing. We provide the highest amount of lines and characters than any other brick engraving company.

**NO CONTRACTS TO SIGN** – We do not bind you to any contracts. Since we know you will like our products and customer service, there is no need to lock you into a contract. If your organization requires contracts, no problem, we'll provide one. Sometimes the old fashioned way of doing business works best.

**ORDER FORMS & BROCHURES** – If you need donor order forms, we will send them to you in a MS Word or Excel format to edit to your liking. If you wish to have a tri-fold professional brochure, we will provide a PDF proof to take to your printer.

**DELIVERY TIMES** – We provide one of the fastest delivery times in the industry; your order will ship within 2-3 weeks and if you need it sooner, we will accommodate you without charging a rush fee.

**SUBMITTING YOUR ORDER** – We are here to make the ordering process fit your needs, not ours! You can submit your order in any format. We will type the order for you and provide a proof sheet for you to review. You can also use our Online Ordering System throughout your campaign and whenever you are ready to submit the orders, it's as easy as clicking a button.

**ONLINE ORDERING SYSTEM** – If you want the campaign to be an easy process, you need to be organized; that's we offer you this free system with an easy menu driven order entry with the ability to enter your orders as you sell, print detailed reports, proof and invoices at any time. It also it accompanied by an iPhone and Android app.

**CUSTOMER SERVICE** – We believe that our customer service is what sets us apart from any other company. There are no machines and all of our representatives are trained in every aspect of our business so no matter what the subject is, the representative on the phone will be able to assist you.

**QUALITY** - All of the above is moot unless you receive a quality product. At more than 25 years, we are one of the largest and oldest brick engraving companies serving the fundraising industry throughout the world. We are in the "building a lifetime of memories" business and we take that responsibility very seriously.
