

Our total budget for this project is \$15,000, which will become a permanent feature to be utilized by students for years to come at River Bend Middle School. Our plan is to receive funding for picnic tables, a brick walkway, curved benches, small shrubs and plants for landscaping to provide the structure of our outdoor classroom. There are three ways you can help make the Raven Retreat a reality:

Upon receipt of 100% of funds, construction of the outdoor classroom will be completed within 60 days. Our students will develop a sense of pride in the creation and caretaking of this living laboratory. Stepping out of the classroom and into the amazing world of nature will have rebounding benefits.
