Reserve your place on the brick Memorial Walkway to be built on the battlefield next to the Cave Hotel. Your brick purchase supports the Lone Jack Historical Society in its preservation efforts.

These bricks make great gifts in honor of or in memory of a loved one. For a very special person, group, or business we have larger bricks and a meditation bench.

All proceeds from your support of this Memorial Walkway fund the historical society in our preservation efforts and in keeping the battle-field open to the public and free from the threat of commercial development. The Memorial Walkway and meditation area will be enjoyed by future generations.
