... The 8X8's w/ business logos are a work of art! We are very pleased and energized regarding the fundraiser. Now other members of the association who were on the fence are catching the vision of a beautiful park w/ water features that surrounds the walkways and patios. In addition, the Veteran's Memorial Vista overlooking the lake is a subject of excitement too. We hope soon to place another order that includes both business donors and those personal messages placed by loving friends and neighbors here at Heritage Ranch, Paso Robles, California.

... "I do need to tell you that (as I notice out the window from my office) everyone who comes into our school stops to read and comment on our pavers. We have begun filling our second rectangle and have already raised over \$10,000! It's a great ongoing fundraiser. Bricks 'R Us is so easy to work with, and I love the new, convenient, online ordering. Brick pavers are a great on-going fundraiser for us. Brick-R-Us makes it very easy.
