

Donor Web Site

Let Bricks R Us design your own Donor Site for free so your donors have the ability to order on-line. If your organization already has a web site, they can just place the link for ordering. The wording can be modified to say anything you want. You can even add your logo and/or pictures. This site can be designed to direct your customers to send payment to a specified mail address, pay by credit card.

If you wish, you can have all orders that are received transferred directly in our Online Ordering System so that you do not have to type anything yourself.

We do not engrave any orders until you review and approve them; in the meantime, they will remain in your account until you wish to place the order.

If you wish to see other examples, please go to our [donate](#) site and view all of the organizations that have Donor Web Sites.

BELOW IS A SAMPLE DONOR SITE

Bricks R Us High School would appreciate your donation to help pay for our new football field.

There are over 25,000 ABC High School students and alumni and we want as many people as possible to be included. This program will establish a bricked walkway at the front of the high school.

Bricks will sell for \$100 for a four by eight inch brick; \$250 for an eight by eight inch brick. The 4x8 brick will have space for three lines, eighteen characters per line and the 8x8 brick will have space for six lines, 18 characters per line.

The net proceeds from all brick sales will go into a permanently endowed fund for college scholarships to deserving seniors.

We want all our friends and classmates to join in this endeavor so PLEASE have all reunion chairs get the word out to their classmates!

Commemorate a special event in someone's life, honor a friend or family member and memorialize someone special.

Size	Price	Lines	Characters Per Line
